

Valtavirtaistamisvelvoitteiden sisällyttäminen yleisiin hallinnon ohjauksen ja suunnittelun dokumentteihin

Aims and objectives

To include gender mainstreaming obligations in the general regulations and guidance of government administration

Results and impact

A requirement for gender impact assessment was included in the Government Bill Drafting Instructions in 2004 and in the impact assessment guidance for bill drafting in 2007. A requirement to present operations with major gender impacts was included in the general guidance for budget preparation in 2004.

Creator/owner/responsible institution

Ministry of Justice

Contents/activities/services

The purpose is to have gender mainstreaming obligations included in the general guidance for all key processes.
