

# Relatórios anuais de execução dos Planos para a Igualdade

## Aims and objectives

Since the 1st Plan for Equality monitoring exercises have been foreseen to assess the annual implementation of the measures of the plans.

---

## Results and impact

Two annual execution reports regarding the 4th Plan (reporting to 2011 and 2012) have been submitted to the Secretary of State that oversees the policy area of gender equality by CIG.

---

## Creator/owner/responsible institution

Presidency of the Council of Ministers

---

## Contents/activities/services

The Commission for Citizenship and Gender Equality (CIG) is currently responsible for drafting annual reports regarding the implementation of the measures foreseen the in 4th Plan for Equality. For the previous Plans, this responsibility has been assigned to the former national machinery for women's rights and the Commission for Equality in Labour and Employment.
