

# Informes de Impacto de Género

## Aims and objectives

The aim of GIA in La Rioja is to revise some types of norms and policies (dispositions, administrative documents and diffusion campaigns) from a gender perspective before they are approved by the government. It represents hence and ex-ante evaluation of public policies.

---

## Results and impact

No information has been found with regard to the implementation of GIA

---

## Creator/owner/responsible institution

General Directorate of Social Services

---

## Contents/activities/services

Resolution March 10th of 2005 established that all dispositions, administrative documents and diffusion campaigns must be accompanied by a GIA. In 2009, the government published a guideline on how to elaborate GIA.
