

# Awareness Raising Conference about EU Policies and Legislation on Gender Equality- Conference Proceedings

The Conference was held in Zagreb, Croatia on May 31, 2007 with participation of many Croatian and international experts and representatives of EU institutions. The Conference Proceedings consist of speeches and addresses of all participants, including the Prime Minister of Croatia, that deal with different aspects of implementation of the EU acquis in the area of gender equality, examples of good practices in some member states, with special emphasis given to mainstreaming gender in employment policies, and development of effective institutional mechanisms for gender equality.
