

# National Reform Programme for Cyprus on Europe 2020 for Smart, Sustainable and Inclusive Growth

The National Reform Programme (NRP) on Europe 2020 is a policy document submitted annually by Cyprus to the European Commission in the context of the European Semester. The NRP presents the progress in achieving the quantitative national targets for EU2020 and the measures promoted to achieve them. It includes the progress on Euro Plus Pact commitments and the measures taken to comply with the country-specific recommendations.
