
Soolise võrdõiguslikkuse süvalaiendamise strateegia. Käsiraamat

This handbook is designed to introduce approaches that will support and give guidance on how to implement gender mainstreaming strategy. The aim of the strategy is gender equality and the implementation of policies responding to this purpose. The strategy itself involves a constant reflexion on gender perspective and an analysis of the situation of women and men in the decision-making processes at all stages has to be considered.
