

Sukupuolten tasa-arvon hyvät käytännöt. Tasa-arvohankkeiden hyviä käytäntöjä seitsemästä teemasta.

The report analyses good practices in equality projects from the 1980s down to present. The aim is to produce knowledge on existing good practices that could be used in the planning of new equality projects as well as in gender training. The themes discussed are: dissolution of gender segregation, gender sensitive teaching and training, gender and entrepreneurship, gender equality in leadership, gender planning at the workplace, gender in regional development, the ownership and voice of equality projects.
