
Gleichstellungspolitisches Rahmenprogramm 2013-2015 des Senats der Freien und Hansestadt Hamburg

This policy programme includes an assessment of what gender mainstreaming entails in different areas of public administration in Hamburg, for example regarding organisational development. Furthermore, it contains an action plan ('Maßnahmenplan') with 162 measures. For each measure the action plan lists its area of intervention, its aim, the actors responsible for its implementation and the timeline.
