

Masterplan zur Umsetzung des Gleichstellungspolitischen Rahmenprogramms 2008-2011

This policy document lists measures for the implementation of the Gender equality policy framework programme 2008-2011 that have been developed by and for all Senate administrations of Berlin, pointing out the aim of each measure, the responsible actors and the timeframe. The plan includes numerous provisions aiming at improving the implementation of gender mainstreaming and gender budgeting, in particular.
