
Εγχειρίδιο για το Ρόλο των Ανδρών/Πατέρων στην Εξισορρόπηση της Επαγγελματικής και Οικογενειακής Ζωής

The study was implemented within the context of the 5th Community Action Programme for Gender Equality of the E.C. (Programme Equal Partners: A Re-examination of the role of men in work and private life). The study's aim was at highlighting the important role of man in family life and its balance with the professional life and the actions that need to be taken in order to break the cycle of gender inequality at work and within the family.
