

# Οδηγός Καλών Πρακτικών για το Συνδυασμό Οικογενειακής και Επαγγελματικής Ζωής

The edition is the result of the Programme "Good Practices for the reconciliation of work and family and Professional Life" that was implemented within the context of the 4th Community Action Programme for Equal Opportunities between Men and Women. The Guide consists of 11 chapters that refer to the general context (discourse, meaning, statistics, indicators, legislation) and key issues (working time, operation time of services and enterprises, leaves, support structures, collective negotiations, safeguarding of rights, education and training, media and positive actions).

**Format:** paperback: p.208
