

Een beetje beter is niet goed genoeg: emancipatiebeleid en gender mainstreaming bij de Rijksoverheid (Eindrapport visitaties 2005- 2006)

Final report of Review Committee on the evaluation of gender mainstreaming and emancipation policies of the Dutch government. The evaluation covers all Ministries in the government; a report has been produced for each Ministry separately, This final report gives the overall conclusions. It also formulates a list of recommendations for further strengthening of gender mainstreaming. This final report is accompanied by two additional overall reports: (1) Coordination of emancipation policy and gender mainstreaming, and (2) Institutions for emancipation policy: The Netherlands in international perspective'. Moreover, an assessment report for each Ministry has been written as well. Formal reactions of all Ministries are also available in www.rijksoverheid.nl.
