

# Agenda działań na rzecz równości szans kobiet i mężczyzn w ramach Programu Operacyjnego Kapitał Ludzki 2007-2013

---

The document responds to the diagnosed need of improving the understanding of gender mainstreaming among institutions implementing the Human Capital Operational Programme as well as among actors applying for grants and realizing projects supported by Operational Programme. Its main goal is to strengthen gender equality through contribution from all actors involved in the Programme. The activities foreseen by the Agenda aim at: 1) Creating institutional system based on gender equality principle; 2) Raising awareness of the applicants of the gender equality rules in the PO HC. The agenda defines the tasks and timeframe, identifies responsible institutions, provides guidelines for monitoring and evaluation.
