
Country fiche on Gender Equality and Policy Developments: United Kingdom, 3Q 2013

This is the 3rd quarterly update report for 2013 for the ENEGE group managed by the Fondazione G. Brodolini (FGB) in Italy. It summarises recent trends on gender equality in employment, unemployment, childcare, the gender pay gap and gender segregation and so on (see next 'subject' field). It also summarises the most recent policy developments in relation to the labour market, childcare, reconciliation, pensions, women in decision-making and gender-based violence. Available from author on request, subject to permission from the European Commission
