

DA (Danish Employers' Confederation)

The Confederation of Danish Employers (DA), founded in 1896, is a non-profit organisation funded by subscriptions from member organisations. DA represents 14 employers' organisations with a membership of more than 28,000 Danish private companies in manufacturing, retail, transport, services and construction. DA's main activities are the following: coordination of collective agreements, employment policy and skills, occupational health and safety, labour law, international industrial relations, monitoring in terms of analysis and statistics on wages, absenteeism, conflicts, etc. (<http://da.dk>)
