

CAP - Confederação dos Agricultores de Portugal (Confederation of Farmers of Portugal)

The Confederation of Farmers of Portugal represents the affiliated employers' associations, federations and cooperatives from the agricultural and forestry sectors. It is one of the four employers' organizations represented in the Standing Committee for Social Concertation (CPCS), involved in social dialogue at a macro-level. It is also a member of CITE – The Commission for Equality in Labour and Employment, and therefore has been involved in social dialogue concerning gender equality and work-life balance issues.
