GenderNet Freie Universität Berlin (DE)

GenderNet Freie Universität Berlin (Germany) is a network structure aimed at facilitating and boosting communication and cooperation between actors in the areas of gender research and gender equality practice at different levels. This innovative, flexible structure brings together researchers, gender equality officers, actors in management and administration and members of committees and other relevant bodies. They jointly address current challenges and drive forward excellent gender research, inclusive gender equality practice, international dialogue and transnational cooperation.

The work within GenderNet Freie Universität Berlin is coordinated by a steering team ("Leitungsteam") consisting of key actors in university management, gender equality work and gender research of Freie Universität Berlin. Five project teams have been set up to each address one of the following current challenges through joint efforts: gender in research; internationalisation; gender in MINT subjects (mathematics, information sciences, natural sciences, and technology); diversity; and the institutional strategy.
