

# Activity of Žába na prameni (Frog in the Spring)

---

## Aims and objectives

Zaba na prameni participates in educational and preventive activities in the field of equal opportunities for men and women. We prepare projects, seminars and workshops focused on gender issues. Zaba na prameni (Frog in the Spring) is a civil association founded in March 2005 to realise our ideas about the world of equal opportunity. "If we want to change something, we need to start with the basics. For us, it is education in schools by teachers. That is why we have started our first big project aimed at educating teachers on gender issues and equal opportunities." (NB. The NGO stopped its activities in 2010 due to lack of funding and government policy)
