

Activity of ProEquality Centre at the Open Society, p.b.a.

Aims and objectives

ProEquality is an independent and apolitical centre, combining research and activism aimed at promoting equal opportunities for men and women in Czech society and internationally. ProEquality's main objective is to identify and analyse gender inequality and contribute to reducing it, inter alia, through the creation and development of public policies promoting equal opportunities for women and men and the opening up of professional and public discussion on the topic of gender and women and men in society. ProEquality focuses on the themes of: family policy, gender and violence, equal opportunities in the labour market, gender and education, gender and development.
