

Meet Ms. Comfort Momoh

The Women Inspiring Europe 2011 Calendar features Comfort Momoh in the month of November.

„Groundbreaking could be a word to describe Comfort’s work“, is one of many quotes one gets when asking about the role of Comfort Momoh in British society. And even though she describes her achievements with much more humility – saying she feels “well placed” – nobody really doubts the importance of her crucial work.

A trained midwife, she was the first and to date only midwife in the UK to carry out special procedures on women who have suffered from **Female Genital Mutulation** (FGM)...
