

Meet Ms. Michaela Miroiu

The Women Inspiring Europe 2011 Calendar features Ms. Michaela Miroiu in the month of June.

In 1989, when her country opened up, Michaela Miroiu was 34. “Already!”, she exclaims today and you can hear a pinch of regret in her voice. A passionate scientist and argumentative mind, Miroiu had to take the toll of being trapped under the Soviet rule for the first half of her academic life.
