

Season's greetings from EIGE

We wish you a happy and relaxing break and the very best for the New Year!

Our Season's greetings go for everyone: old and young, rich and poor, born close or far, and for families of any form. Looking forward to bring you more gender equality news in 2018.

We are also taking a little break. Our office will be closed from 25 December 2017 until 2 January 2018.
