

Visit of the President of Finland

During the state visit to the Republic of Lithuania the President of the Republic of Finland, **Sauli Niinistö**, and the prominent representatives of the Republic of Finland visited EIGE to learn about the Institute's work and the situation of women and men in the European Union.

Among topics discussed was the achievements of Finland's when it comes to gender equality and inspiring initiatives. EIGE also presented its newest accomplishment – including some of the results of the Gender Equality Index which indicate gaps between women and men in Finland in the selected domains of the Index.
