

What is coming up at EIGE in 2017?

This year is shaping up to be a big year for EIGE! We are busy getting ready for the release of the 2017 Gender Equality Index that will feature some new elements, for example in the domains of violence and health. We are also launching the results of our study on the 'economic benefits of gender equality' and putting a spotlight on some of the gender related challenges in education. To find out more, watch our video below.
