

Study on the Area D of the Beijing Platform for Action: Violence against Women in the European Union

The study to be carried out under this contract will focus on domestic violence against women, with a special emphasis on different types of support services for women victims of domestic violence in all EU Member States and Croatia. The study shall focus on collection of data and assessing the range, extent, number, actual use and quality of support services for women victims of domestic violence in EU Member States and Croatia. The study shall also provide a background overview of existing data and information on the profile of female victims of violence and male perpetrators, the measures targeting the male perpetrator, training of professionals, state measures to eliminate domestic violence against women and evaluation of the measures taken in all EU Member States and Croatia.

Important

At the request of the tenderer, EIGE may provide additional information solely for the purpose of clarifying the nature of the contract. Any additional information including that referred to above will be published on this website. Requests for additional information will not be processed if received less than five working days before the closing date for submission of tenders.
