The study to be carried out under this contract shall map and consolidate policy-relevant research findings on the contribution of gender equality towards a smart, sustainable and inclusive growth model in the EU.

### **Important**

At the request of the tenderer, EIGE may provide additional information solely for the purpose of clarifying the nature of the contract. Any additional information including that referred to above will be published on this website.

**Requests for additional information/clarification should be received by 03/11/2015.**

The answers to such requests, if any, will be published under this banner, therefore you are invited to visit EIGE's website regularly for updates.

Requests for additional information will not be processed if received later than the above-mentioned date.
