

# Gender-sensitive language review in English and any other EU language

---

The subject matter of the framework contract is to conclude a framework contract(s) with professional company/ies providing specialised editing services related to gender-sensitive language review for publications and website texts produced by EIGE or EIGE's contractors in English and languages other than English. The contractor(s) will provide a gender-sensitive language review by editing the texts written in English or in other EU languages, to ensure gender-sensitivity, consistent communication style and readability.

The tender documents will be published and available at <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=4882>

Note: EIGE is using [eTendering platform](#) for managing this call for tender, which consists of the publication of procurement documents and the management of questions and answers concerning the specifications and the procedure.

Please follow the relevant links to gain access to all procurement documents. The documents will be visible and downloadable, but in order to use some options on the eTendering website, you will need to register and log in. It is the tenderer's responsibility to check for updates and modifications to the tendering documentation during the tendering period on eTendering platform.
