The European Institute for Gender Equality (EIGE) envisages awarding a low-value contract with a professional service provider to build a database with attractive photos to accompany EIGE's publications and website, which are gender-sensitive, non-political and engaging.

The aim of the contract is to receive professional photography services for EIGE's publications and website. The aim is to make publications more engaging and relatable to readers. This ex-ante publicity is the first stage of the negotiated procurement procedure through which EIGE may award the above-mentioned contract.

All parties interested in providing the services described above should express their interest in 400 words maximum, by e-mail, to procurement@eige.europa.eu with the subject reference: **EIGE/2019/OPER/14, before 08 May 2019, 12:00 Vilnius time.**
