

# Beijing + 20: The 4th Review of the Implementation of the Beijing Platform for Action in the EU Member States - Report

---

The 20th anniversary of the Beijing Platform for Action represents an opportunity to assess the progress made by the EU in the area of gender equality since the last review five years previously.

This report presents an assessment of key trends in the EU and its Member States in the period 2007–12, highlighting the areas where there has been progress and where challenges remain.
