

Gender Equality Index 2015 Measuring gender equality in the European Union 2005-2012 - Country profiles

The publication 'Country profiles' is a complementary publication to the [main report on the Gender Equality Index](#).

The country profiles offer a snapshot of national contexts, enhancing the usefulness of the Gender Equality Index scores and supporting their interpretation as a tool for policy-makers and other users. In addition, this publication contains other contextual variables that are relevant to better understand the scores.
