

Trainee - Gender Statistics

1. Introduction

The European Institute for Gender Equality^[1] (EIGE) announces a traineeship opportunity lasting up to four months for a graduate who is a national of an EU member state.

The traineeship shall be based at the Institute's offices in Vilnius, Lithuania. The registration of applications will begin on 26th February 2011 and will close on **25th March 2011 at 23:00 Eastern European Time (EET)**.

EIGE is a regulatory agency of the European Union (EU) entrusted with specific objectives related to the contribution and strengthening of gender equality promotion.

To achieve its goals, the Institute shall collect and analyse objective, comparable and reliable information at Community level and develop appropriate methodological tools for the integration of gender equality into all Community policies. EIGE shall equally foster the exchange of good practices and dialogue between stakeholders and raise EU citizen awareness of this policy area by providing technical assistance to the Community institutions, in particular the Commission, as well as the authorities of the Member States. In the course of its work to promote and strengthen gender equality EIGE will also strive to eliminate gender discrimination.

The traineeship shall aim principally to:

- provide work-training experience in key areas of the Institute's work;
- extend and apply knowledge acquired in the course of studies or working life;
- provide practical working knowledge of the Institute;
- enable the trainee to acquire work experience through the contacts s/he makes.

The Institute is an equal opportunity employer and accepts applications without distinction on the grounds of age, race, political, philosophical or religious conviction, gender or sexual orientation and regardless of disabilities, marital status or family situation. Furthermore it offers a smoke-free work environment.

2. Traineeship Description

Ref: EIGE/2011/TR/03.

Unit: Operations.

Period: May to August 2011.

Objectives

The trainee shall provide assistance and support to ensure the smooth functioning of the Institute's work on collecting, processing and improving gender statistics.

The trainee shall be provided with relevant work experience in an EU agency and knowledge of gender equality related to the Institute's focal areas of concern.

Description of the work

Reporting to a supervisor, the trainee will be expected to carry out the following duties:

- Attend selected meetings in particular concerning the Beijing Indicators and the EU Gender Equality Index and support the organization of meetings with external experts.
- Assist as required with specific project work, including report-writing as designated by the supervisor.
- Participate in the review, analysis and synthesis of results and conclusions drawn from studies, analyzing and synthesizing the results.
- Participate in identification and mapping of relevant bodies at the EU Member States in charge of gender equality questions and production of gender statistics and data.
- Assist colleagues from the Operations Unit in the preparation of newsletters and the dissemination of other material about gender statistics.

Traineeship pre-requisites

The traineeship is open to applicants who have not previously undertaken a traineeship in another European institution or body and who meet the following requirements:

- a recognised university degree^[2] in social sciences or humanities, evidencing completion of a full cycle of study. Gender studies or studies in social statistics will be considered

advantageous.

- some initial experience in social statistics obtained either through specialisation as part of the applicant's studies for a university degree, a dissertation or other research project conducted as part of their studies or in some other manner or through professional experience or a previous traineeship.

Trainees shall be selected from among nationals of the Member States of the European Union and EFTA countries.

Applicants must also have fluent English, both spoken and written, an excellent knowledge of at least one other EU language as well as computer skills applicable to a Windows environment.

3. Application Procedure

There are two stages to the application process:

Stage 1 - Online registration

At the first stage candidates must submit their application electronically using the EIGE application form.

[Application form](#) (.doc, 198 KB)

Applications must reach [eige \[dot\] hr \[at\]eige \[dot\] europa \[dot\] eu](mailto:eige@eige.europa.eu) by not later than **23:00 EET, on 25th March 2011** and the subject title noted by applicants should include the reference number of the application.

Candidates are requested to send their completed application in English, the language in which the Institute mainly works. All parts of the application form must be completed in full. Incomplete applications will not be considered.

Stage 2 - Submission of a full application (only for candidates invited to an interview and selected)

At the second stage, should the candidate be invited for interview and be selected, in order for the application to be considered complete candidates must provide photocopies of all the supporting documents (proof of nationality, diplomas, academic qualifications, employment certificates, professional references etc.) needed to prove that they satisfy all admission conditions.

All documentary evidence of any professional experience must indicate start and end dates for previous positions and the start date and continuity for the current position held. On the day of the interview the candidate must sign his/her application form and by signing the form the candidate certifies on his/her honour that the information provided is complete and accurate.

Candidates will be eliminated if:

- their application is received after 23:00 EET, on 25th March 2011.
- they do not use and duly complete the official application form provided by EIGE.
- they do not meet the general conditions described in the pre-requisites section.

Once EIGE has received a completed application form the candidate concerned will receive an acknowledgement. Eligible candidates shall be selected on the basis of their application. The Institute regrets that, due to the large volume of applications it receives only candidates of particular interest will be contacted.

Candidates must be prepared to submit proof of their qualifications upon request since if successful, they will be required to produce originals of their diplomas, academic qualifications and employment certificates upon request.

A Selection Committee shall oversee the analysis of the applications to assess and select those best matching the profile and qualifications required for this traineeship. On this basis the Selection Committee can invite the best admissible candidates for an interview which may include other appropriate testing.

The work of the Selection Committee is confidential. Candidates shall not make direct or indirect contact with the Selection Committee or have anybody do so on their behalf. The Appointing Authority reserves the right to disqualify any candidate who disregards this instruction.

All inquiries for information should be sent by e-mail to [eige \[dot\] hr \[at\]eige \[dot\] europa \[dot\] eu](mailto:eige_hr@eige.europa.eu), quoting the reference of the traineeship.

4. Engagement and Conditions of Traineeship

Engagement for a traineeship will be decided by the Institute's Director on the basis of a reserve list of candidates proposed by the Selection Committee. Candidates should note that an inclusion to the reserve list does not guarantee selection. The established reserve list may be used for other similar traineeships depending on the Institute's needs and will be valid until the 31 December following the year of engagement.

The traineeship is supported by a monthly grant equivalent to €750. Whilst a travel allowance will be given to the chosen candidate, s/he however will have to arrange his/her own health insurance.

Applicants are advised to read [Decision No. 2011/765](#) since it contains relevant information with regards to traineeships at the Institute.

5. Data Protection

The purpose of processing of the data submitted by candidates is to manage each application in view of a possible pre-selection and recruitment as a trainee at the Institute. Unsuccessful application files shall be kept for two years following the closure of the selection procedure, after which time they are destroyed. The personal information requested from applicants will be processed in line with Regulation (EC) N°45/2001 of the European Parliament and of the Council of 18th December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.
