9. Protection of personal data

As the body responsible for organising the competition, the EIGE ensures that applicants' personal data are processed as required by Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (Official Journal of the European Communities, L 8 of 12 January 2001). This applies in particular to the confidentiality and security of such data.

Personal data shall thus be processed solely for the purpose of the selection procedure.

10. Lithuania & life in Vilnius

Lithuania is a member of the Schengen Area and it borders Latvia, Belarus, Poland and the Kaliningrad region of Russia. Its western coastline - noted for its fine beaches, dunes and majestic pines - straddles the Baltic Sea. Vilnius is Lithuania's capital with an estimated population of just over half a million citizens. Lithuanian summers are sunny and warm with an average temperature of +17 C. Winter is white and generally cold with average temperatures that hover around – 4 C.

In addition to ample green spaces, Vilnius is beautifully situated on the banks of the river Neris. The city has impressive Baroque, Gothic, Renaissance and Russian architecture as well as one of Europe's largest medieval old towns, a UNESCO World Heritage site since 1994. Vilnius has been a university city since the Middle Ages. Today it is the centre of the country's politics, business, science, culture and entertainment and it attracts an increasingly varied assortment of local and international events. In addition to hosting a number of international schools, it has a well-developed infrastructure and ambitious future plans.
