

# Daisy Kopera

Daisy Kopera has been leader of the anti-discrimination-league at the Medical University of Graz since 2007.

She is a Professor of Dermatology and a Gerontologist. She also has an Executive-MBA (leadership) and a sound sense of fairness in all areas of discrimination: gender, age, religion, ethnicity, sexual orientation, disability, looks.

For six years now, Daisy Kopera has been addressing the issue of fairness in calls for and the selection of university professorships at the University of Graz, in order to raise the percentage of female Professors and chairs of university.
