EIGE/2014/OPER/07. Questions & Answers No: 1

Question 1:

"In regard to the above mentioned Tender procedure the "Economic and Financial Capacity" statement requests data for the financial years 2010, 2011 and 2012.

Please confirm that we can include in the "Economic and Financial Capacity" statement, the financial data for years 2011, 2012 and 2013 which will present a more updated financial position for our company".

Answer 1:

Regarding the "Economic and Financial Capacity" requirements, the simplified financial statements may include the data for the financial years: 2011, 2012, and 2013.

Question 2:

"In the Award Criteria Table point 2 (page 32 in the Terms of Reference) - EIGE refers to Project Methodology and Tools. When referring to methodology in the given context the reference is to:

1. Project Management Methodologies;
2. Methodologies and approaches that will be used to technically implement the project; or
3. Both 1 and 2."

Answer 2:

Technical award criteria 2 (pg. 32) - Project methodology and tools - refers to the level of clarity and appropriateness of the methodological approach proposed by the tender. This involves both project management methodologies and methodological approaches that will be used to technically implement the project.
