II.1.4) Information on framework agreement

II.1.5) Short description of the contract or purchase(s)

The study to be carried out under this contract shall focus on the implementation of the strategic objectives of the Beijing Platform for Action in the area G on women in power and decision-making in political, economic and social areas in the EU Member States. The study shall consist of 3 parts:

part A of the study will focus on reviewing the progress made in reaching a more equal share of women and men in political and economic decision-making in the EU Member States since 2010. It will also include a collection of data on gender equality in decision-making in sports,
part B of the study shall focus on the identification of good practices that effectively promote and support a wider and better participation of women in political decision-making at the EU and Member States' levels,
part C of the study will analyse the extent to which the European Parliament and national parliaments can be considered gender sensitive and, in addition, will collect evidence on the benefits of gender-sensitive parliaments in the EU.
