Subject: Answers to requests for clarifications regarding the Tender

Dear Sir/ Madam,

From a potential tenderer we received a question that might be of general interest.
Please find herewith the answer to this question.

Sincerely yours,

Procurement
EIGE

Question 7:

..... page 40 of the specifications states that 'for the organization of meetings under this contract the tenderer shall put a fixed maximum amount of 90.000 euro.' This amount is already pre-filled in the Financial Offer Form (which is included in the Standard Submission Forms).

Can you please clarify whether this amount is indeed to be considered as 'fixed' or as a 'maximum' (in other words: is it allowed to foresee an amount for meetings that is less than 90.000 euro)?

Answer 7:

The amount of € 90.000 is fixed as a constant part of the financial offer, for the purpose of financial evaluation of the tenders.

The tenderers are expected to include this fixed amount into their tenders.
