WHIST Guidelines on Gender Diversity in S&T Organisation

Upcoming events ▦

Women's International Leadership Conference - WIL

April 2015
Germany

Wessen Internet? Geschlechterverhältnisse und Gender-Debatten im Netz

April 2015
Germany

GenderChange und unternehmerische Universität Arbeit - Organisation – Wissen

April 2015
Germany

More events

Some Challenges

Technical dev ok: implemented all planned features on time (Drupal)

User needs assessment: slow and labor intensive

Quality management of resources

What are our most promising target audience(s)?

Low budget for content curation

GenPORT

How to reach out?

Dedicated conferences and workshops

Consortium based, individual contacts & networks

Virtual engagement activities

Gender & Sciene Taxonomy

GenPORT

Situating GenPORT - Stakeholders

Scientists & Reseachers

Horizon2020 proposal writing

Policy Makers

Evidence based policy (evaluations)

Gender Equality

Best practice, exchange of experience, overcoming resistance

General public

Awareness raising (also dependent upon country cluster)

GenPORT

National portals

EC Initiatives

How to fit in?

GenPORT

Statistics, monitoring

Thematics portals

Organizations & Assoc.

GenPORT

Thematic specialization

Geographic specialization

Gendered Innovations

GenPORT

UNESCO Stats

EuroGender Net

EU/ World

CEWS, DE

WEPAN, USA

…

National

Gender Balance in Research, NO

GenPORT

GenPORT Added Value

Improve exchange of data between similar thematic sites

Provide comparative view between national experiences

Both cases: Need for shared meta-data language, **Gender and Science Taxonomy**

Provide a structured approach to "issues" and associated knowledge

GenPORT

G&S Taxonomy Validation

Overview of meta-data scheme:

http://www.genderportal.eu/genport-classification-framework

Validation

http://www.genderportal.eu/classification-framework-validation

Classification testing
