

Fostering Caring Masculinities.

The national program

MenCare Switzerland 2014-2027

Vilnius, January 24th 2017

Markus Theunert, program director

MenCare

A global campaign to promote involved fatherhood and to foster caring masculinities.

www.men-care.org

MenCare Switzerland

A national program with 23 projects, coordinated by männer.ch, Swiss umbrella association of progressive men's and father's organizations.

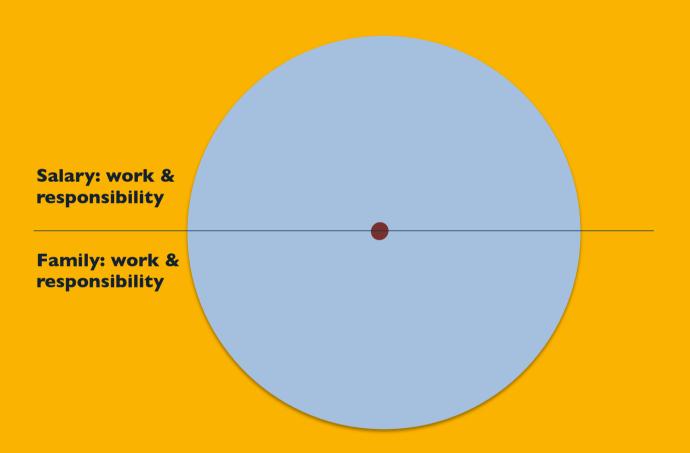

www.mencare.swiss

Strategic Insight 1

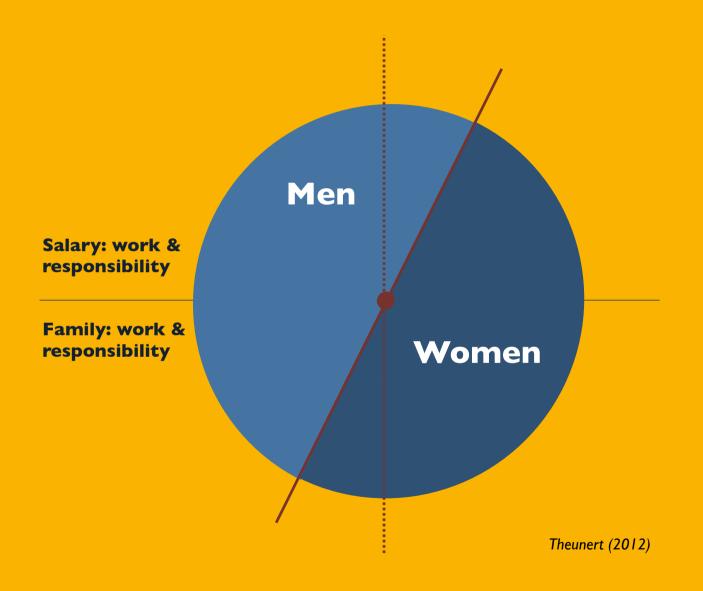

Gender Equality means equal distribution of paid and unpaid work. Political interventions must use all leverages for change.

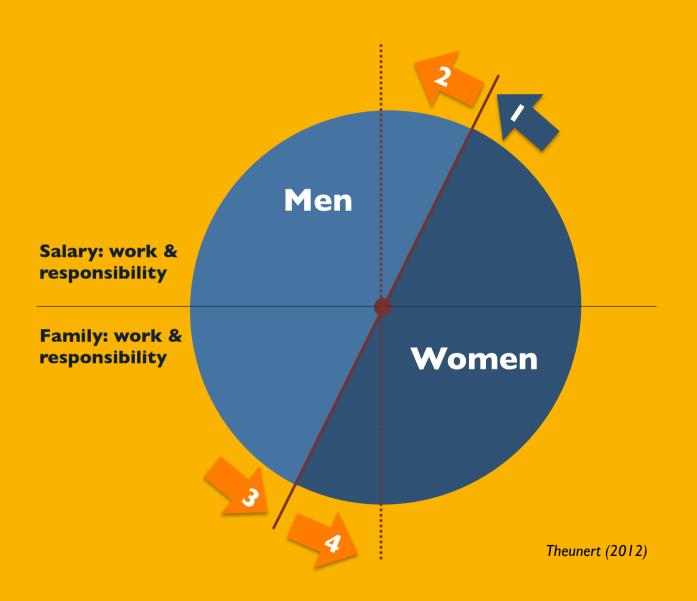

Theunert (2012)

Strategic Insight 2

To empower men to really do their 50% of unpaid work, we need more than individual behavioral changes.

We need a social norms change towards caring masculinities.
