## Women and power in the Western Balkans and Turkey

The share of women in decision-making positions is one important element in assessing the level of gender equality. That's why the European Institute for Gender Equality (EIGE) measures how much power women hold in politics, economics and finance, research, sports and the media. Below you can find our assessment of the situation in Albania, Bosnia and Herzegovina, Kosovo [\[1\]](#), Montenegro, North Macedonia, Serbia and Turkey (EU candidate countries and potential candidates under the Instrument for Pre-Accession Assistance (IPA)).
