EIGE/2015/OPER/22. Questions & Answers Nr 2

Question 1:

I would like to ask for an additional clarification regarding the recently published tender documents with reference EIGE/2015/OPER/22 for the project "Collection of good practices on administrative data collection on violence against women".

The ToR (p.13) state that 3 pages per each practice with potential should be prepared. We understand from the ToR (p.12) that there should be 14 to 16 "shortlisted" practices with potential from the initial 24. Can you confirm this understand is correct?

Secondly, could you confirm that we have to provide example fiches (deliverable mentioned p.17 of the ToR) for 10 to 12 good practices (and not 8 selected examples as mentioned p.12)?

Answer 1:

24 practices with potential will have to be collected and agreed with EIGE, according the requested procedure, to be then divided in 3 specific groups as described at p.12 of Tender Specifications.

The assessment of the 10 to 12 good practices will be done in the three working groups, during the consultation meeting.
