## **EIGE/2017/OPER/07. Questions & Answers Nr1**

### **Question 1:**

In the call for tender, it is mentioned that the qualitative research should take place in "10 selected Member States".

We would like to know if you could give us some more indication on the 10 selected Member States since doing it would have a high impact on the costs of the project.

### **Answer 1:**

The criteria for selection of Member States are not yet known. As a result, we suggest that offers include estimate of costs based on EU averages.
