Levelling the sports playing field for women

In celebration of International Women's Day and in the run up to Rio 2016 Olympics and Paralympics, EIGE is hosting a conference focusing on gender equality in sport. EIGE's research shows that while both women and men practice sport, the sports arena is far from equal and most of the decisions are made by men.

Good practice of the month – Bringing young women into politics

February's good practice of the month is from the series on "[Advancing gender equality in political decision-making](#)". The good practice comes from Portugal and focuses on raising a new generation of young women to become interested in politics. It involved training programmes, mentoring sessions, and the publication of useful handbooks.
