

Our vision:

Making equality between women and men a reality for all Europeans and beyond

Our mission:

To become the European knowledge centre on gender equality

European Commission
European Council/Member States
European Parliament

Sister EU Agencies

Civil Society
Social Partners
Academia

WHY EIGE ?

- ✓ The Institute should carry out tasks that the existing institutions **do not deal with at a European level**, specifically in the areas of the
 - centralisation and dissemination of information,
 - coordination of research,
 - provision of visibility to gender issues,
 - the construction of tools for mainstreaming.

European Commission, Feasibility Study for a European Gender Institute, 2002.

Structure

- **Management Board**

- Adopts work programmes and budget
- 18 Member States - rotation
- European Commission
- 3 years

- **Experts' Forum**

- Advisory body
- All Member States
- European Parliament
- European Commission
- Civil society
- Social partners
- 3 years

What we do

- Provide comparable and reliable data and indicators
- Collect and process methods and practices
- Communicate gender equality

Our thematic areas

Gender Mainstreaming

Gender-based violence

Monitoring the Beijing Platform for Action

Gender Equality Index & Gender Statistics

Tools & Methods

The tools are to be understood as operationalised instruments, which can be used separately or combined together to shape largely different programmes, in terms of aims, approaches and dimensions. Some are practical, ready to use "how-to" tools while others are more elaborated combinations of different elements. The term "methods" relates in this context to general methodological approaches that facilitate integration of gender into policies and programmes. [Read More](#) ↓

Tools & Methods' Categories

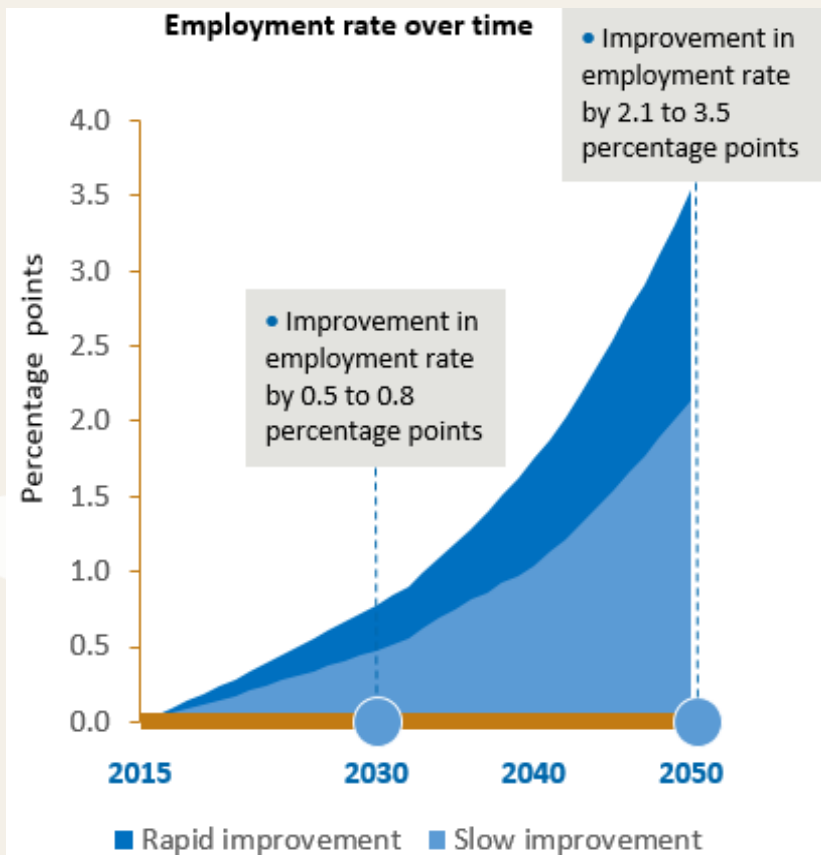

Effect of improvements in gender equality on GDP per capita

- Improvement in GDP per capita by 6.1 to 9.6%
- Improvement in GDP by €1.95 to €3.15 trillion

Effect of improvements in gender equality on employment

Increase in jobs (rapid improvement)

2.9 million jobs for men

7.6 million jobs for women

Increase in jobs (slow improvement)

1.8 million jobs for men

4.5 million jobs for women

Countries that increase gender equality will reap bigger benefits

In 2030

Group 1: up to 4% GDP

Group 2: up to 4% GDP

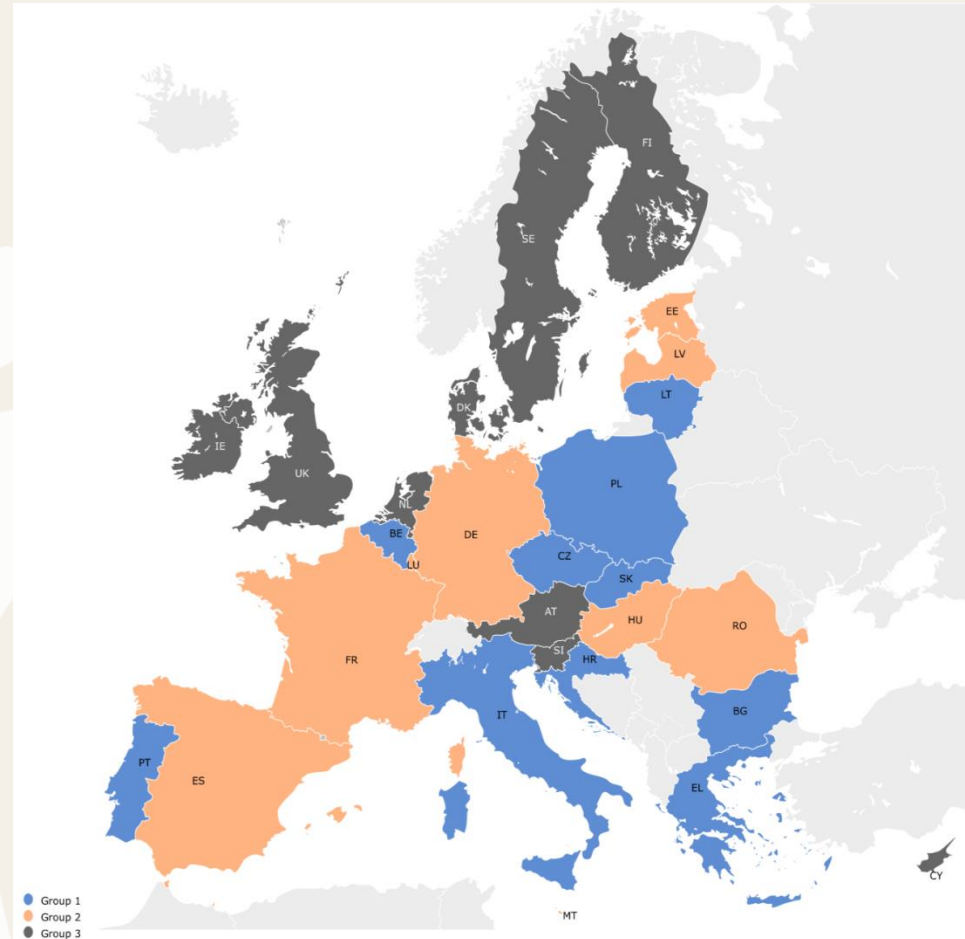

Group 3: up to 3% GDP

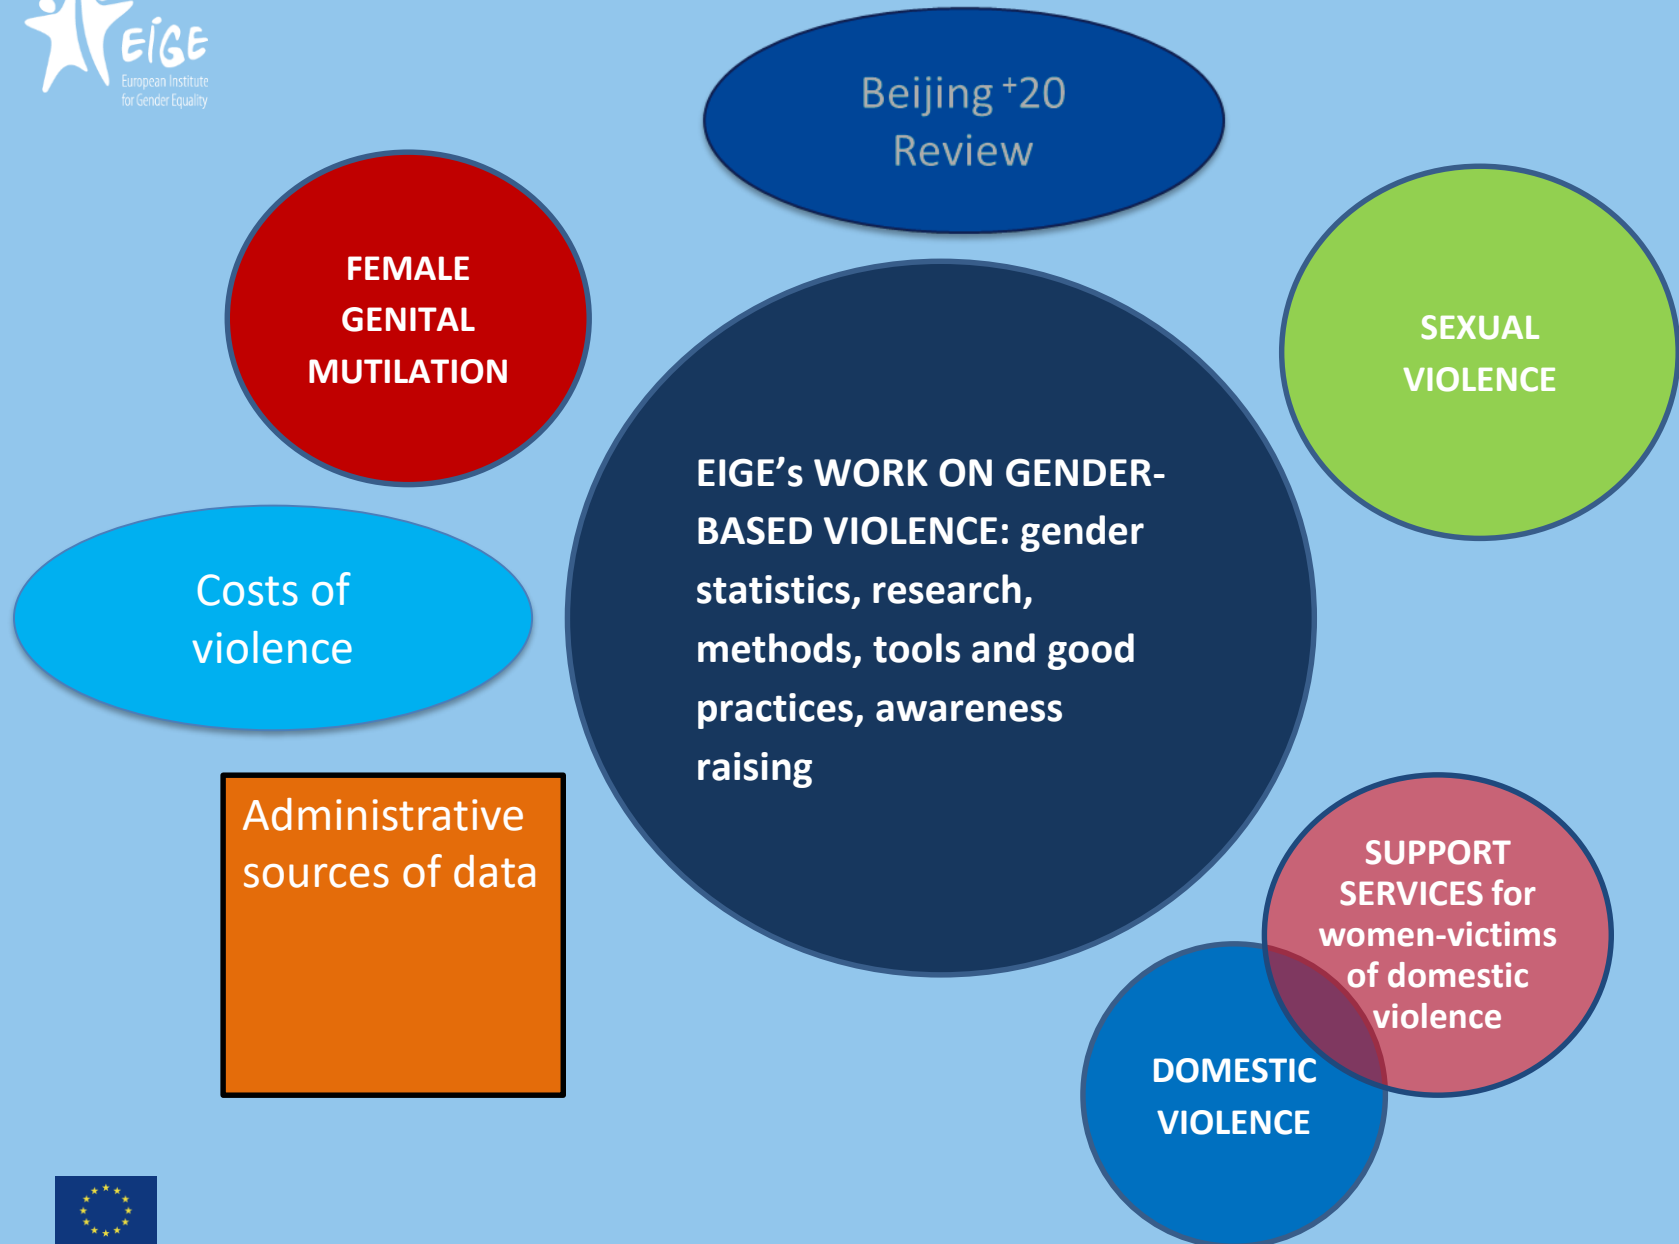

In 2050

Group 1: up to 12% GDP

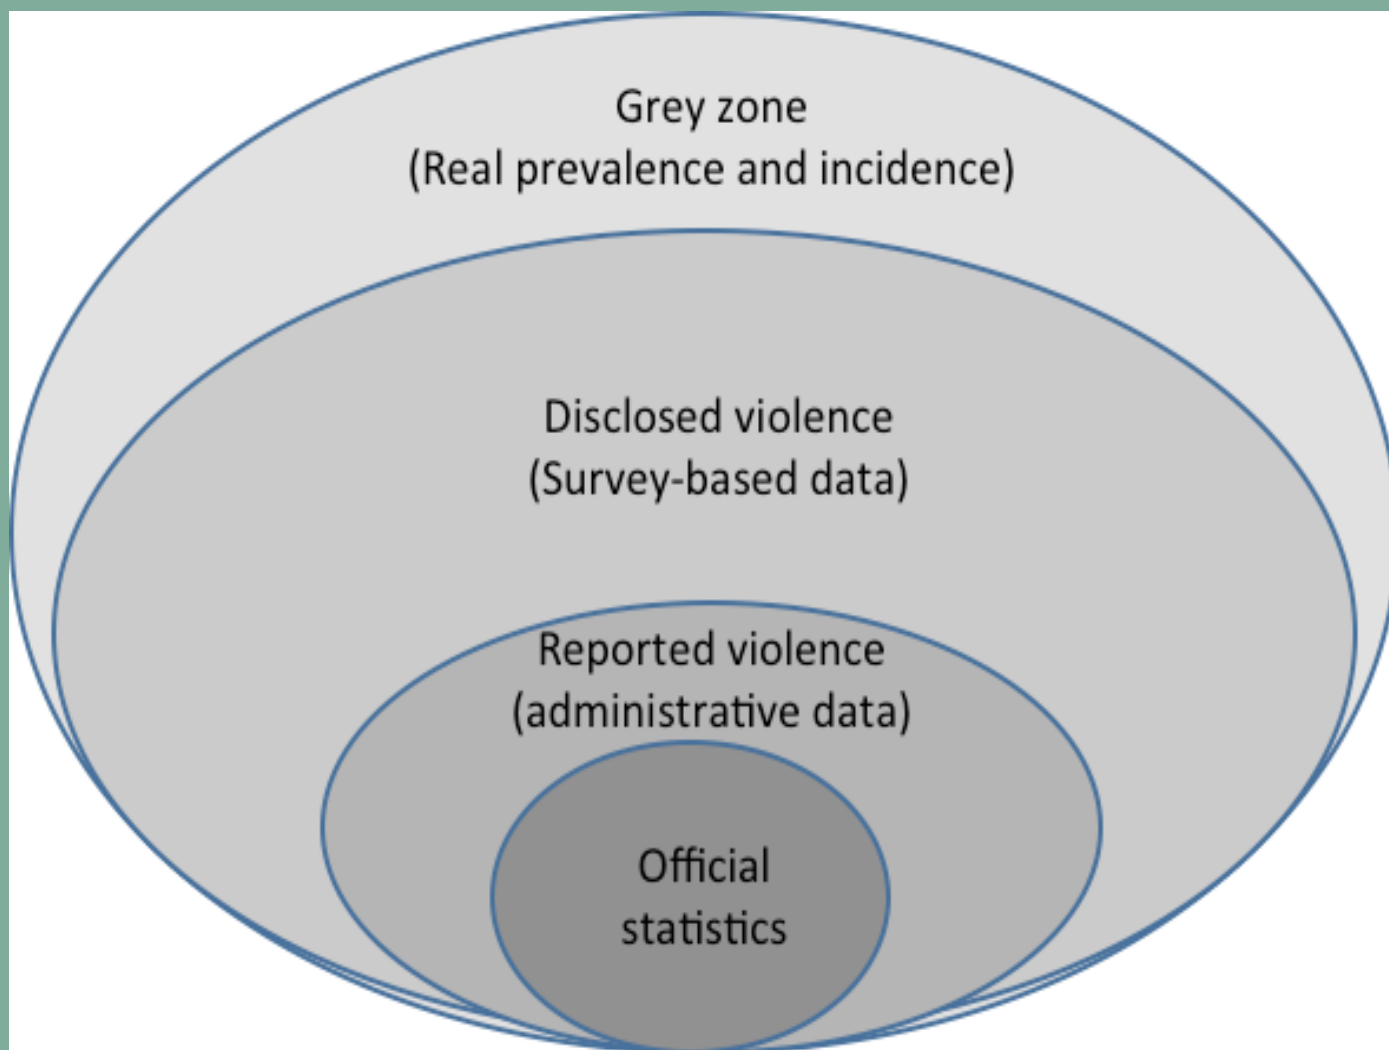

Group 2: up to 14% GDP

Group 3: up to 7% GDP

Data on direct forms of Violence against women

EIGE White Ribbon Campaign

“Eradicating violence against women is fighting for the future of humanity.”

EIGE IPA project 2015-2017

Involvement of EU candidate countries and potential candidates in work of the EIGE and deepening of cooperation in common priority areas

Evolution of EIGE's work with IPA countries

IPA 2015-2017 & 2017 onwards

Regular involvement in EIGE's work

- Establishing and continuing cooperation with GFPs
- Identifying other stakeholders on national and regional level
- Familiarising partners with EIGE's work areas and procedures (involvement in most events)

Deepening of cooperation in key areas

- National Gender Equality Indexes
- Inclusion in the Gender Statistics Database
- Potential in other areas (RDC, GBV, BPfA)

Beneficiaries, duration, budget

- **Beneficiaries:** gender equality administration from IPA countries + representatives from other institutions and non-government sectors that are involved in implementation of the national gender equality policy.
- **Duration:** 01.07.2015. - 30.06.2017.
- **Total budget:** 200,000.00 for 24 months, operational 100,000.00.

No more excuses to disregard gender concerns

Video – an essential guide to gender mainstreaming

Gender gaps and inequalities between women and men exist across all areas of society and impact on our daily lives. Watch our video to see how our new Gender Mainstreaming Platform can help to identify these inequalities, and more importantly how they can be addressed. [Watch the video here](#)

Latest news

EIGE launches the Gender Mainstreaming Platform

Does gender equality feature in your work? Whether you work in fisheries, transport or any other area of the society, it should always be there! With EIGE's new platform, there are no more excuses to disregard gender concerns. We show you how to mainstream gender, tailor-made for your field. [Read more here](#)
