EIGE/2018/OPER/03. Questions & Answers Nr 02

Question 1:

The tender proponent - we read - it could be a consortium of 'bodies' presenting its team based on the requests of the tender. If this were the case, can one of the parties of the Consortium be in charge of a part, and another of another one (i.e. administrative and scientific coordination)?

Answer 1:

In accordance with the Tender specifications (2.2.1. SECTION ONE: ADMINISTRATIVE INFORMATION) under the part Joint Offers, there is the description and the relevant obligations and rights of the consortium.
